Current Position

Director of Software Development - Deft - Since January 2022

Software and cloud architectures, development and training.

Education

Ph.D. Physical Chemistry, Institut de Science et d'Ingénierie Supramoléculaires (ISIS), Université de Strasbourg , 17 December 2012.

M.Sc Material Science, University of Cagliari , 2008.

B.Sc Material Science University of Milan Bicocca, 2006.

Certificates

AWS Certified Solution Architect - Professional

AWS Certified DevOPS Engineer - Professional

Skills

AWS, Serverless, JavaScript, Python, Java, Html5, CSS, Node, Angular, React, Vagrant, Puppet, Ansible, Docker, Kubernetes, Adobe AEM/CQ. some Clojure, some Haskell, some Go.

Research Fields

Chemistry as a Natural Language, Machine Learning, Chemical Networks, Nanochemistry, Scanning Tunneling Microscopy, Physical Chemistry, Molecular Dynamics;

Recent Professional Activities

Software Architect - Server Central Turing Group - Since March 2020 *Software architecture and design, development and training. Multiple projects*

Principal Software Engineer, Showpad, September 2019 - March 2020. *Team lead for Coach (learning platform), UI, training and management, project ideation, planning and architecture, development.*

Principal Software Engineer, Roomit (CWT), April 2018 - September 2019. *Training, project ideation, planning and architecture, development. Main product: real time personalization of hotel search services*

Server Central - Turing Group - Director Software Development, Chicago IL, August 2017 - April 2018 *Responsible for Client relationship, team lead, training and management, project ideation, planning and architecture, development. Aws serverless and event-based streaming architectures*

Server Central - Turing Group - Software Architect, Chicago IL, April 2016 - August 2017 *Responsible for Client relationship, project ideation, development and training. AWS architectures, HIPAA EMR software*

Hyatt.com - Full Stack Developer, Hyatt corporate office, Chicago IL, April 2014 - April 2016.

Chematica - Lead Software Engineer and Post Doctoral Fellow , Northwestern University, Non Equilibrium Research Center, Evanston IL, USA. February 2013 - April 2014.
